**Petition for Waiver of  
FCC Form 471 Filing Deadline for Funding Year 2018-2019  
RE: FCC Form 471 181042486**

---

**I. INTRODUCTION AND SUMMARY**

The Main Community Learning Center Schools (“CLCS”) serves low income kindergarten through Grade 12 children in Alameda County, California. Since E-rate’s inception, Community Learning Center has been a very small but successful participant of the program. We first participated last year in this program. We found the learning curve to be quite challenging, but regardless, we were successful in participating for the first time in the 2017 year.

The CLCS certified their Funding Year 2018 FCC Form 471, #181042486, in the “Apply Online” portal of the Schools and Libraries Division (“SLD”) of the Universal Service

Administrative Company's ("USAC") website, on April 9, 2018, a date that is well past the Window close date of March 22, 2018.

As the Facilities and Technology Director, E-rate is one of the many duties I perform for CLCS. Unfortunately, I was involved in a horrific car accident during the timeframe to complete the application and was unable to complete it until now. I was told that it was a miracle that I survived. The vehicle I was driving had to be cut away in order to safely remove me from it and get me to a hospital, where I was bed ridden for months. I still suffer issues with rolling black outs and fatigue. This issue was far beyond my control, and my position has no assistant that was able to step in for me. CLCS needs E-rate to help serve our students with the latest technology at an affordable price.

## **II. Request**

The CLCS respectfully petitions the Commission to issue a waiver of the Funding Year 2018-2019 FCC Form 471 filing deadline on behalf of the CLCS to allow the Out of Window submission of their E-Rate Funding Year 2018-2019 FCC Form 471 #181042486, due to the debilitating medical related lateness of the application.

Respectfully submitted,
